The Daily Press.

HONGKONG, FEBRUARY 22ND, 1873.

We regret to hear that, as stated by our contemporary, a Chinaman was burnt to death during the fire on Thursday, and that in addition, a boy living in the house met his death.

With reference to the case in the Harbour Master's Office concerning the *Charles Albert*, we hear that the Captain at first refused to pay the fine, but after being arrested, decided to do so. The case, it is said, will be appealed, and doubtless then the exact facts will be brought out.

LATE TELEGRAMS.

REUTER'S TELEGRAMS.

SUPPLIED TO THE "DAILY PRESS."

LONDON, 19th February, 1873.

The rumours of the fusion of the Orleanists and Legitimists are resultless.

The Irish journals adversely criticize Mr. Gladstone's education scheme.

Coal and iron are dearer.

The China Submarine and Great Northern Telegraph Companies have agreed upon a uniform tariff.

Hongkong, 21st February, 1873.

The *Straits Times* of the 5th instant gives the following telegrams, which have not yet been published in Hongkong:—

(*From the Ceylon Observer.*)

LONDON, January 22nd.

Crowded Napoleonic Masses in the principal Paris Churches.

The Emperor William has ordered a week's Court mourning.

The Committee of Thirty has resolved only to allow M. Thiers to speak in the Assembly during the Debates on the Bills.

LONDON, 24th January.

An attempt to assassinate the President of Peru has been frustrated.

The *Official Gazette* of St. Petersburg is astonished at the treatment of the Asian Question by the English press, whose tone previously displayed moderation and sound judgment. It is difficult to decide whether it represents real public opinion or is attributable to party motives. Negotiations are entered on no new phase, but with perfect identity of views and interests, to secure joint difficult (?) solution determining frontiers of unknown countries between the two Empires. Convinced of the justice of the endeavours, those mutually interested will speedily arrive at an understanding.

The *Daily News* asked the *Pall Mall Gazette*, referring to the denial of the Persian Minister, wherefore Russia possesses Ettrek, and why she built Fort Shikishliar.

The ex-Empress and Prince Napoleon jointly undertake the political guardianship of the Prince Imperial.

The political character presidence (of the presence) of the Orleans Princes at the expiatory service in memory of Louis the Sixteenth is denied.

LONDON, 25th January.

The *Times* confidently expects an understanding will be arrived at between England and Russia.

Anyhow, says the *Times*, England must maintain the Independence of Persia and Affghanistan.

The steamer which ran down the ship *Northfleet* is undiscovered, and it is thought she has foundered.

—VERSAILLES, 24th January.

The proceedings of the Committee of Thirty evince great distrust in M. Thiers.

LONDON, January 26th.

The British despatch relative to the Central Asian question has been sent to St. Petersburg.

It is said the Conservatives will oppose Government on the Irish Education Bill.

Buckingham Palace will be assigned to the Shah of Persia during his visit to London.

THE RACES.

Second Day, February 21st.

The weather continued as fine as ever for the second day of the Races, and the course presented an animated appearance, the attendance being much larger than on the first day. We subjoin the times of yesterday's races, which were, it appears, taken for the Stewards, but through some mistake our reporter was misinformed concerning them:—Wong-nei-cheong Stakes, 1m. 02s.; Ashley Cup, 3m. 33s.; Hongkong Derby, 3m. 33s.; Roadsters' Plate, 2m. 06s.; Garrison Cup, 2m. 52s.; Club Cup, 1m. 42s.; Coast Cup, 4m. 45s. Mr. Coxon should have been mentioned as starter as well as the Hon. Mr. Ryrie, the former gentleman, whose name was inadvertently omitted, doing, in fact, the lion's share of the work, that is carrying the first flag. The starting yesterday was equally good with that on the first day, and reflected great credit on those who performed this important and onerous part of the duties, and all the other arrangements were equally satisfactory. The excellent band of the 80th Regiment was again in attendance, and added much to the zest of the proceedings.

1.—THE SCURRY STAKES, for China, Manila and Japan Ponies, Griffins at the date of closing of Entries. Weight for inches. Entrance $5, with $100 from the Fund. Winner of one Race at this Meeting 7 lbs. extra, and of two Races 10 lbs. extra. Three-quarters-of-a-mile.

Capt. Gumtrie's Spotted Dog, 11st. 1lb....1
Mr. Paul's Broker, 10st 12lbs..............2
Mr. Campoo's Royalist, 11st. 8lbs...........3
Mr. William's Monyandi, 10st. 9lbs........0
Mr. Lowcock's Surprise 11st. 5lbs..........0
Mr. Pye's Blue Light, 10st. 12lbs...........0
Mr. Joe's The Shroff, 10st. 12lbs...........0
Mr. Joe's The Duffer, 10st 12lbs............0
Mr. Paul's Banker, 11st. 4lbs................0
Mr. Prior's Blarney, 11st. 4lbs..............0
Mr. Henry's Major Domo, 11st. 1lb.........0
Mr. Solo's Massacarino, 10st. 9lbs..........0
Mr. Sebrof's Cakes and Ale, 10st. 9lbs.....0

After one or two false starts the whole field of thirteen got away in a compact bunch, Banker and Surprise shewing slightly in front after a few yards. Down the hill Broker came out of the tail, followed hard by Spotted Dog, and at the corner the two last mentioned ponies came away from the former leaders, and raced in, very wide of the rails. Spotted Dog passed the post a good neck in front of Broker, both going stride for stride. We hear that a foul was claimed on behalf of Broker, but have not learned the decision. Surprise and Royalist carried 7lbs. extra each. Time, 1m. 42sec.

2.—THE GERMAN CUP, value 100 Guineas, presented by the Members of the Club Germania, for China, Manila and Japan Ponies. Weights as per scale. Entrance $10. Two miles.

Mr. Sebrof's Snowdrift, 10st. 12lbs.........1
Mr. Yorke's Handicraft, 10st. 12lbs.........2
Mr. Kushun's Leechcraft, 10st. 9lbs.........3
Mr. Lowcock's Hercules, 11st. 1lb...........0
Mr. Paul's Avon, 11st. 4lbs...................0

Snowdrift led throughout, and won easily. At the start the order was Snowdrift, Leechcraft, Handicraft, Hercules, Avon. Soon after passing the Stand, Hercules and Avon were left a long way behind, Leechcraft and Handicraft running very close together behind Snowdrift. After passing the Rock, Handicraft passed Leechcraft, and Hercules, who had come up again, rushed up even with the third pony, Avon, being a long way out of the race, and eventually pulled up. Round again at the mile and a half post Hercules headed Leechcraft, but the latter came up down the hill, left Hercules behind, and made a game attempt to displace Handicraft, but without success. Snowdrift kept his lead splendidly without exertion, and Handicraft, though running in capital form to the end, could not touch him. A glorious race, won in 4m. 42sec.

3.—THE VICTORIA PLATE,—presented,—value $100, for all Horses. To be handicapped by the Stewards after the First Day's Races. Non-starters in the Roadster's Plate to carry Maximum Weight. Entrance $5. One mile-and-a-quarter.

Mr. Murray's Highflyer, 12st. 0lbs.........1
Capt. Gumtrie's Sadowa, 12st. 0lbs.........2
Mr. Taffy's Clynderwen, 10st. 6lbs.........3
Col. Smith's Linnet, 9st. 7lbs...............0

Considerable interest was manifested in this race, in consequence of the running away of Sadowa on the previous day. Clynderwen, Highflyer, Linnet and Sadowa came to the post, and an excellent start was shortly effected. Sadowa jumped off with a good lead, followed closely by Linnet and Highflyer, Clynderwen being in the rear, but rapidly coming up to the ruck. They continued in this order some distance, when Highflyer was seen to be rapidly gaining upon Sadowa, and shortly after passing the Black Rock he was close upon his heels, passing him coming down the straight, and winning easily by about a length and a half. Time, 2m. 28sec.

4.—THE VENETIA CUP,—presented by Mr. Belilios,—value $150, for all China, Manila and Japan Ponies. Entrance $5. Weights as per scale. Winner of the Ashley or Garrison Cup, 7 lbs. extra; if of both the above Races, 10 lbs. extra. Distance One-mile.

Mr. Sebrof's Snowdrift, 11st. 5lbs..........1
Mr. Locock's Coronet, 11st. 4lbs............2

Consequent upon the success of Snowdrift, and the little chance of any pony competing with him successfully, only one other came to the post with him, namely, Coronet. The race was virtually a walk over for Snowdrift, as though Coronet made some show of running and took the lead, it was clear from the start that Snowdrift could pass him when he liked, which he did coming down the straight, winning easily. Time, 2m. 14sec.

5.—THE PARSEE CUP, value $100, presented by the Parsee Community, for all China, Manila and Japan Ponies. Weight for inches. Winners at this Meeting excluded. Previous non-starters to carry 12st. Entrance $5. One-mile-and-three-quarters.

Mr. Middleton's Coroner, 11st. 4lbs.........1
Mr. Henry's Sleepy Hollow, 10st. 12lbs....2
Mr. Lowcock's New Tiger, 10st. 9lb..........3
Mr. Joe's Marshal Ney, 10st. 6lbs...........0
Mr. Caledonia's Chance, 10st. 12lbs.........0
Mr. Yorke's Hollyhock, 10st. 12lbs..........0

After a capital start, Chance, Hollyhock, and Coroner took the lead at a smart pace, and kept in front of the rest till near the Black Rock before the last run in. Here Sleepy Hollow came away and passed Hollyhock, New Tiger following suit. Chance was challenged by the Tiger at the Village, Coroner and Sleepy Hollow having passed him previously. Coroner and Sleepy Hollow raced hard up the straight, Coroner winning by a neck. A capital race for third place between New Tiger and Chance followed. Time, 4m. 03sec.

6.—THE RESIDENTS' CUP, value $200, for all Griffins at date of Entry. Weight for inches as per Scale. Winner of the Derby, 7 lbs. extra. Entrance $5. Distance One-mile-and-a-quarter.

Mr. Lowcock's Surprise, 11st. 5lbs..........1
Mr. Paul's Broker, 10st. 12lbs...............2
Mr. Campoo's Royalist, 11st. 1lb............3
Mr. William's Monyandi, 10st. 9lbs.........0
Mr. Convers' the Admiral, 10st. 12lbs......0
Mr. Joe's the Shroff, 10st. 12lbs............0
Mr. Joe's the Duffer, 10st. 12lbs............0
Mr. Paul's Banker, 11st. 4lbs................0
Capt. Gumtrie's Spotted Dog, 11st. 1lb....0
Mr. Henry's Major Domo, 11st. 1lb..........0
Mr. Caledonia's Mystery, 10st. 9lbs........0
Mr. Solo's Massacarino, 10st. 9lbs..........0

Surprise, carrying 7lbs. extra, kept well towards the front all round, Banker and The Shroff occasionally heading him. Broker made a splendid rush at the end, and succeeded in making a dead heat of it. Time, 2m. 53s. The heat was run off after the Flyaway. Surprise was splendidly jocked, and having run level with Broker to the Village, there let him take a short lead. At the turn, Surprise was magnificently thrust in between Broker and the railings, and notwithstanding all the endeavours of the latter, won easily in 2m. 58sec.

7.—THE FLYAWAY STAKES.—A Steeple Chase for all China, Manila and Japan Ponies. Entrance $5, with $100 from the Fund. Weight, 11st. 7lbs. Three Ponies from opposing Stables to start or no Race. Twice round the Course.

Mr. Henry's Sleepy Hollow....................1
Mr. Yorke's Général............................2
Mr. Phinn's XX.................................0
Col. Smith's Gin Sling........................0
Mr. Prior's Blarney............................0
Mr. Kiesolack's Munter........................0

Général was the favorite for this steeplechase, although Sleepy Hollow was known to be formidable on account of his pace. As a matter of fact it was the pace that won, for Sleepy refused two jumps, while Général cleared everything splendidly without a baulk. The rest of the ponies were left behind from the second jump, and were never heard from afterwards. Munter lost his jock and his bridle, and had a race all to himself, the wrong way round. XX., at the water jump, threw his rider, who, however, succeeded in remounting him only to be worse thrown at the last embankment (first time round), the pony also falling across the embankment, and presenting a very uncomfortable appearance. At Sleepy Hollow's last jump he at first refused, and it was thought there was a chance for Général, who was coming up well; but the former pony was over in time, and Général's clean jump was too late. Time, 4m. 50 sec.

POLICE INTELLIGENCE.

BEFORE F. W. MITCHELL, ESQ.

A DRUNKEN FIT.

The master of a chandler's shop on the Praya charged a Russian seaman with coming into his shop in a drunken state, and stealing a clock hung up for his own use, and taking it into a boat, having no intention of returning same.

Two witnesses on the side of complainant deposed to being in the shop at the time, and seeing a drunken Russian coming into the shop, they got scared, and ran up stairs, leaving the shop in his hands. They stated that on looking down the stairs, which were steep, they saw the defendant take down the clock, but were afraid to get on the steep steps to prevent him. Then hearing no noise, they ventured below in time to see defendant getting into a boat with the clock. This was at dusk on the evening of the 20th. They hailed the boat to bring him back, but a police boat hearing, brought the boat to shore, and a constable on shore, No. 97, took the defendant into custody, and took charge of clock and boat.

P. C. 97, deposed to taking defendant out of the boat, and the clock out of same boat.

Wong-a-tuck, the boatman, deposed to the defendant bringing the clock into his boat.

Defendant said he was drunk, but remembered paying money for the clock.

Complainant said he had no wish to sell the clock. The clock was for his own use, and was valued at $7.

Complainant, indifferent to respect to an English Court, made the above statement sitting down, but was brought to his bearings by his Worship asking him whether he would act thus before a Mandarin, or would he not have to go on his knees?

The defendant was sent to 10 days' hard labor.

OVERCHARGE AND NO LICENCE.

Mr. C. R. Reed charged two coolies, named Tong-a-tack and Lee-a-yeen, as follows.

Complainant said he had occasion to take a lady home, a distance of five minutes walk, and hired the defendants to carry the lady's private chair. They brought their own chair to the door, and were told they were to carry the private one. They then took out their jackets and number from their own chair and put into the private chair, and as the lady was about to get into the chair, they rushed at her, holding up two fingers, and in a wild manner exclaimed, "20 cents missisee, 20 cents missisee!" He told the lady to get into the chair, and he would settle the fare. On his arrival he gave them the proper fare, 10 cents. They then kicked up a disturbance, and consequently he found out they were only street-coolies, and had no licences.

Defendants said it was Race Day, and they took advantage of the heavy demand for chair-coolies to earn an honest penny.

Defendants were fined $1 each.

NO LICENCE.

The boatman Wong-a-tuck, who took the Russian sailor and the clock into his boat was charged with plying for hire without a licence, and was fined $1.

MAKING USE OF ANOTHER'S NAME.

The Chinese charged by Mr. Osmund, of the Registrar-General's office, with assuming another man's name, by presenting a Registration ticket not his own, for the purpose of offering bail for a man from the Police Court, was again brought up.

Chung-a-yee, called by Mr. Osmund, said he has known defendant ten years, and has known him under the name of Chung-hing-kee; but Chinese have several names, for instance, he has two others, viz., Choong Hing and Ty Hing. The defendant has a son ten years of age, named Chung-foh-seen. Did not know whether defendant was named Chung-foh-seen.

Mr. S. Emamoodeen, a broker, residing at No. 14, Graham Street, called for the defence, said he had known defendant for two years, under the name of Chung-hing-kee, but knew defendant had bought some houses, and was told that he intended to have the deeds drawn up under the name of Chung-foh-seen, but he never saw the deeds. He asked him why he had them under that name, and he said Chung-foh-seen was his great name, and Chung-hing-kee was his common name.

Mr. Osmund said that he had heard defendant's son only was named Chung-foh-seen, and the shop was registered under the same name, but defendant was named Chung-hing-kee.

Defendant said he was named Chung-foh-seen, but his sign board only was Chung-hing-kee, and the shop was Chung-foh-seen.

Defendant was fined $10.

MARINE MAGISTRATE'S COURT.

BEFORE H. G. THOMSETT, ESQ., R.N.

THE "CHARLES ALBERT."

The case in which Captain Guoyan, of the French steamer *Charles Albert*, was summoned for breach of Section XXVII. of Ordinance 1 of 1862, in that he had gratings and other fittings on board his steamer in Victoria Harbour, came on again yesterday, when Mr. Speechly, the boarding officer, was again examined. He deposed that after the case was remanded on the 20th, he again went on board, and found the work of fitting up the gratings was still going on. In fact, one stanchion was ready to be put up, whilst another was being prepared in readiness. There was also a large quantity of wood on board to be used for the fittings.

Defendant said that what was already up was not for a barricade, but a protector for the hatchways, for the purpose of preventing persons falling down them.

Captain Thomsett considered them barricades, and said he might call them protectors, or anything else he choose.

Mr. A. Lister, sworn, stated he was acting assistant Harbour Master. Recollected the defendant coming to the office to apply for permission to fit up his steamer for the carriage of coolies, accompanied by Mr. J. C. Opstelten, who said the defendant wanted to fit his ship for the carriage of passengers. A reply was made to him, which was correctly interpreted to the defendant, that he could put up bunks, &c., but he was not to put up any gratings or barricades. The defendant said he would conform to the laws of the port, and that he would put up his gratings and barricades at Macao. As defendant was leaving the office, he asked Mr. Opstelten to make defendant thoroughly understand that he was not to put up any gratings or barricades. Mr. Opstelten did as he was asked, and if he remembered aright, he said he should not make them here. The defendant replied he would fix them at Macao.

Mr. Opstelten said he understood that the Captain was only not to fix the gratings, but that he could make them here in this port, and it was only that which he interpreted to him.

Captain Thomsett said that irrespective of Mr. Opstelten's interpretation, which no doubt was correct, nevertheless himself and Captain Deane went on board on Monday, and they told the mate distinctly that he could not have such things as gratings or barricades on board; and again the captain was acting in defiance of the law of this colony, in that after the case was remanded, he still continued to make those fittings. He (defendant) might call the fittings "protectors" if he choose, but he (Captain Thomsett) preferred to call them barricades.

Mr. J. C. Opstelten said that other ships had fitted out in the same manner.

Captain Thomsett observed that these cases had not been brought to the notice of the authorities, or they would have been dealt with in the same manner as the present one.

Defendant said he had no wish to offend or break the laws of the colony, and he was afraid his mate did not understand the orders given him by Captain Thomsett.

Captain Thomsett observed that the mate understood perfectly well.

Defendant said he had nothing further to say, and had no witnesses. The full penalty of the law was thereon brought to bear against him, and he was fined in the sum of $500, or three months' imprisonment, and defendant was further informed that if the gratings were not removed at once, they would be seized, and he would be brought up again; and that, moreover, he could not go to sea again until a search should have been made to ascertain whether any such fittings were on board. Defendant appearing dissatisfied with the decision, was informed he could appeal to the Supreme Court.

Defendant stated that he would appeal, and would see the French Consul on the subject.

Captain Thomsett said that he must first pay his fine, and if the decision was reversed, it would be refunded to him.

The Captain then made a charge of incivility against Mr. Speechly, stating he went on board on the 20th without taking notice of any person on board, or to salute them; moreover, he pushed the mate as if he was in his way.

Captain Thomsett said Mr. Speechly was not a man likely to be guilty of such conduct; had never known him to be uncivil during the number of years he had been in the office.

Mr. Speechly being called in, denied that he pushed the mate, or that he saw him at all that day; in fact, did not believe him to be on board.

SINGAPORE.

The *Straits Times*, commenting on the Joshua case, at last regards the matter in its most important bearing in a public point of view, namely, as a warning to the Banks of the danger of leaving goods under the control of those to whom advances have been made upon them.

The above paper contains the following:—

The Siamese ship *Sword Fish*, Captain Möller, put in here yesterday for water. She left Saigon January 28th, for Hongkong, and until the 30th had calm, fair weather, then to 2nd February strong north-easterly gale with high confused sea; when, finding water on board getting bad, made for Singapore. No sun from 31st ultimo to 4th instant. As last advices from Hongkong report rice low there, the cargo (10,000 piculs old, and 3,000 piculs new crop) may perhaps be discharged here.

We learn by last mail from home that a new company was being started in London in rivalry with Reuter, to be called *The Oriental Telegram Agency*, which will send to the East messages of any length or shortness at 4s. 6d. per word.

ADVT.—"Berkeley, Sept. 1869.—Gentlemen I feel it a duty I owe to you to express my gratitude for the great benefit I have derived by taking 'Norton's Camomile Pills.' I applied to your agent, Mr. Bell, Berkeley, for the above-named Pills, for wind in the stomach, from which I suffered excruciating pain for a length of time, having tried nearly every remedy prescribed, but without deriving any benefit at all. After taking two bottles of your valuable pills I was quite restored to my usual state of health. Please give this publicity for the benefit of those who may thus be afflicted.—I am, Sir, yours truly, HENRY ALLPASS.—To the Proprietors of NORTON'S CAMOMILE PILLS." [A26] 1198 June 29

SEVENTY YEARS OF SUCCESS Have proved beyond question that ROWLANDS' MACASSAR OIL Is the best and safest Restorer and Beautifier of the Human hair. Perfectly free from any poisonous or mineral admixture, its certain good effects are lasting, even to the latest period of life, it prevents hair from falling off or turning grey, strengthens weak hair, cleanses it from scurf and dandriff, making it beautifully soft, pliable and glossy. Great caution is necessary to ask for ROWLANDS' MACASSAR OIL, and avoid all others, this being the only genuine. Price 3s. 6d., 7s., 10s. 6d., equal to four small, and 21s. per bottle.
CAUTION.—Each bottle has a GLASS STOPPER, instead of the Cork as formerly. All with the CORK are SPURIOUS IMITATIONS. This Notice is deemed necessary, as the Proprietors have received intimation that a large quantity of Counterfeit, of the most pernicious quality, has lately been sent from France and Germany to India and the Colonies under their names.
ROWLAND'S ODONTO, or PEARL DENTIFRICE, preserves and beautifies the Teeth, strengthens the Gums, and gives a pleasing fragrance to the Breath. It eradicates Tartar from the Teeth, removes spots of incipient decay, and polishes and preserves the enamel, to which it imparts a PEARL-LIKE WHITENESS.
ROWLANDS' KALYDOR.
An Oriental Botanical Preparation. This Royally-patronised and Ladies' esteemed Specific realises a Healthy Purity of Complexion and a Softness and Delicacy of Skin. Soothing, cooling, and purifying, it eradicates all Cutaneous Eruptions and Discolourations. Price 4s. 6d. and 8s. 6d. per bottle.

All these articles have been used and justly appreciated by all the Sovereigns and Courts of Europe, the Pope of Rome, and the aristocracy of the world, during the last seventy years, being of inestimable value to those who have once used them. IMPERIAL QUARTO.
ENGLISH AND CHINESE DICTIONARY WITH THE PUNTI AND MANDARIN PRONUNCIATION.
An ANGLO-CHINESE DICTIONARY, published at the *Daily Press* Office, Hongkong.

FOR comprehensiveness and practical service this Work stands unrivalled. All the new words which the Chinese have of late years been compelled to coin to express the numerous objects in machinery, photography, telegraphy, and in science generally, which the rapid advance of foreign relations has imposed upon them, are here given *in extenso*. Each and every word is fully illustrated and explained, forming exercises for students of a most instructive nature. Both the Court and Punti pronunciations are given, the accents being carefully marked on the best principle hitherto attained. The typography displays the success of an attempt to make the Chinese and English type correspond in the size of body, thereby effecting a vast economy of space, achieving a clearness not previously attained, and dispensing with those vast margins and vacant spaces which have heretofore characterized Chinese publications.

To illustrate the vast scope of the work, the following facts are submitted for consideration. Chalmers' Vocabulary contains about 16,000 Chinese characters, and Medhurst's English and Chinese Dictionary about 100,000, whilst this work contains more than 50,000 English words, and upwards of 600,000 Chinese characters. Again, despite all the grammars and other elementary works as yet published, the student of this difficult language absolutely requires examples to display the various applications and equivalents of different words which have one general meaning. Of these examples this work contains more than five times as many as any other Dictionary hitherto published.

For practical purposes the arrangement of the work is so complete, that a reference to its pages enables a person who understands English to communicate *effectively* with natives who understand nothing but Chinese. In this respect the work will be found indispensable to all Europeans residing in China, and to the natives themselves it explains subjects fully with which very few indeed of them are perfectly acquainted. To parties resident in England and interested in China it cannot but be invaluable occasionally.

It comprises upwards of two thousand large quarto pages.
